MEMORANDUM FOR : Chief, Security Staff, OSA
SUBJECT : OXCART Parachute System

25X1A 1. On Friday, 1 November, I received a phone call from [redacted] requesting that I visit Houston to brief Project Gemini personnel on subject parachute. All tests on the OXCART parachute have been unclassified with the exception of the ejection seat tests. Air Force reporting of these tests has been routine under the heading of "Development of a Multi-Stage Parachute System".

25X1A 2. I informed Gen. Flickinger of this request and he said that he would call [redacted] and also that he would take care of the security aspects of such a visit if it was decided to go to Houston.
